

## CHICAGO PNEUMATIC CPI3-100 IRONMAN PISTON COMPRESSOR

**\$1,265.00 inc. GST**

### Key Benefits

EFFICIENCY MEPS compliant, highly efficient IP55 motor with copper windings guarantees reliable protection from dust, oil and water.

**SKU:** CPI3-100

**Categories:** [Chicago Pneumatic](#), [Chicago Pneumatic Single Phase Air Compressors](#)

## PRODUCT DESCRIPTION

### DESCRIPTION

Chicago Pneumatic Ironman cast iron piston compressors range from 2 hp to 15 hp, and have a low rpm, contributing to a longer life time. The Ironman is highly efficient, with more cfm per hp. Comes with condor switch, adding to the reliability of these machines.

Professional Performance and Reliability

Slow turning, long lifetime cast iron pumps, providing strong performance.

Optimal cooling is guaranteed by using cylinder heads with deep cooling fins, a cast iron flywheel and a strong copper outlet pipe.

The large oil sight glass makes it easy to check the oil level. The long lifetime and low wear level of the pump are made possible by making use of a cast iron shaft, connecting rod and cylinders.

Losses are minimized thanks to the use of stainless steel valves and valve plates.

Efficiency: MEPS compliant, highly efficient IP55 motor with copper windings guarantees reliable protection from dust, oil and water.

Quality: Reliable operation with high-quality Condor pressure switch installed on all models.

Stability: AS certified air tanks up to 500 litres with forklift feet for better performance and easy transportation.

Strong and Robust: Full range of specially selected cast iron pumps. High-quality components.

User comfort: Easy maintenance and clear oil level indicators. Single phase models are delivered with filter-regulator and quick-couplings.

Easy to Move: To improve mobility the single phase units are equipped with two solid, rubber wheels and feet.

### Specifications:

<b>Free Air Delivery</b>	10.2 cfm   290 l/min
<b>Motor Size</b>	3 hp   2.2 kW
<b>Ideal Usage</b>	Professional
<b>Pump Displacement</b>	14.13 CFM   400 (l/min)
<b>Tank Sizes</b>	100 Litre
<b>Type</b>	Cast Iron
<b>Weight</b>	93 kg
<b>Dimensions</b>	936 x 430 x 1045 mm
<b>Noise Level</b>	73 dB(A)
