\$1,859.00 inc. GST

Benefits

- Industrial grade durability up to 1,000 hours between maintenance intervals
- Streamlined safety lever and 1.5 hp (1,100 W) governed motor for operator safety
- Steel housing with an insulating composite over-housing for operator comfort
 - Spindle lock button for fast abrasive replacement reducing tool downtime
 - Rotative Inlet swivel maintains tool operation and avoids air hose knots

Categories: [Air Grinders & Cutters](#), [Chicago Pneumatic](#)

PRODUCT DESCRIPTION

The CP3550 industrial angle Grinders Series offers safety and performance for grinding and cutting applications through a powerful governed motor, 1.5 hp (1100 W), 12,000 rpm to safely reach the maximal abrasive speed. A unique keyless adjustable guard offers fast adjustment to suit the best working position. Additional features such as rotative inlet swivel, spindle lock button, bevel gear design, and elaborate silencer are available as upgrades. CP3550 angle grinder series is defined by 5 models with wheel capacity from 4' to 5' and 3 spindle thread size choices: M14, 3/8-24 and 5/8-11.

Country of origin is TW.

Customs tariff is 84671110

Design & Functions

1. Max dynamic air working pressure: 6.3 bar
2. Side to Center: 29 mm
3. Sound Pressure: 84 d: B(A)
4. Swiveling guard: Keyless
5. Air inlet thread size (in): 3/8
6. Uncertainty vibration-K: 2.6 m/s²
7. Max power: 1100 W
8. Vibration (m/s²)-
9. Wheel Diameter: 100 mm
10. Spindle lock: Yes
11. Sound Power (dba)-
12. Length (L): 252 mm
13. Autobalancer: No
14. Air inlet thread type: NPT
15. Air consumption at load: 26 l/s
16. Free Speed: 12000 rpm
17. Rotative guard type Pull and turn
18. Height (H): 94 mm
19. Starting system: Safety lever
20. Output Spindle Thread: 3/8-24 UNF
21. Main Material type: Aluminum, Composite over-sleeve
22. Guard positions: 5
23. Guard max rotation: 130 °
24. Wheel/Disc diameter (in): 4
25. Weight: 1.7 kg
26. Wheel/Disc diameter (mm): 100
27. Air consumption at free speed: 17 l/s
28. Min hose diam (16 ft hose length): 0.5 in
29. Min hose diam (5 m hose length): 13 mm
