Peerless Three Phase Air Compressor

The PHP15 3 phase has been designed and manufactured to give you the opportunity of using 3 phase power therefore making it more economical to run and alleviates the chances of motor failure. It has all the same features as the PHP15 single stage range; Maximum pressure of 175PSI, 300 litre free air, 3 cylinder cast iron slow revving pump and is a great model for the workshop. Also available in single phase (refer to model code 00105).
